

Diverse

We enroll more than 6,500 students of color. Enrollment of undergrads of color grew more than 80% in 10 years.

Excellent

We have the highest graduation rate in the state among students of color — 51% graduate within four years.

Affordable

88% of undergrads receive grants and scholarships they do not have to pay back. Almost half of our students are from families with earnings below \$70,000.

Personalized

We have one professor for every 13 students. Most classes have less than 20 students.
